

FLORIDA ACADEMY OF SCIENCES  
APPLICATION FOR A PUBLICATION GRANT  
FOR EXCESS PAGES

Corresponding authors who declare that they lack grant, contract, or institutional funds to cover page charges (i.e., not charges for figures, remakes, author's changes to proof, etc.) may petition the Journal Business Manager for an **Academy grant** to cover some or all page charges (\$75.00 per page) beyond the 10 pages that are allowed gratis. **The request must be made upon acceptance of the manuscript** for publication in *Florida Scientist* **and before the article is forwarded to the press** to allow the author or editor to add an acknowledgment that "A grant from the Florida Endowment for the Sciences, Florida Academy of Sciences, partly funded publication of this paper."

Corresponding Author:

Title of Manuscript:

Date of Application:

Contact Information

Institutional Address:

Email address:

Phone Number:

Number of excess pages requested to be covered by the grant:

All \_\_\_\_\_ Partial \_\_\_\_\_ pp.

Declaration:

I \_\_\_\_\_, the corresponding author, declare that I lack funds from my institution, a grant, or a contract to cover the cost of pages (\$75 per page) beyond the 10 free pages allowed by membership in Florida Academy of Sciences. I furthermore agree to the addition of a notice in the acknowledgments of the article that "A grant from the Florida Endowment for the Sciences, Florida Academy of Sciences, partly funded publication of this paper."
